## § 656.17

Labor certifications for professional nurses and for physical therapists shall not be considered under § 656.17.

### § 656.16 Labor certification applications for shepherders.

(a) *Filing requirements and required documentation.* (1) An employer may apply for a labor certification to employ an alien (who has been employed legally as a nonimmigrant shepherder in the United States for at least 33 of the preceding 36 months) as a shepherder by filing an *Application for Permanent Employment Certification* form directly with DHS, not with an office of DOL.

(2) A signed letter or letters from each U.S. employer who has employed the alien as a shepherder during the immediately preceding 36 months, attesting the alien has been employed in the United States lawfully and continuously as a shepherder for at least 33 of the immediately preceding 36 months, must be filed with the application.

(b) *Determination.* An Immigration Officer reviews the application and the letters attesting to the alien's previous employment as a shepherder in the United States, and determines whether or not the alien and the employer(s) have met the requirements of this section.

(1) The determination of the Immigration Officer under this paragraph (b) is conclusive and final. The employer(s) and the alien, therefore, may not make use of the review procedures set forth at §§ 656.26 and 656.27 to appeal such a determination.

(2) If the alien and the employer(s) have met the requirements of this section, the Immigration Officer must indicate on the *Application for Permanent Employment Certification* form the occupation, the immigration office that made the determination, and the date of the determination (see § 656.30 for the significance of this date). The Immigration Officer must then promptly forward a copy of the *Application for Permanent Employment Certification* form, without attachments, to the Chief, Division of Foreign Labor Certification.

(c) *Alternative filing.* If an application for a shepherder does not meet the re-

quirements of this section, the application may be filed under § 656.17.

### § 656.17 Basic labor certification process.

(a) *Filing applications.* (1) Except as otherwise provided by §§ 656.15, 656.16, and 656.18, an employer who desires to apply for a labor certification on behalf of an alien must file a completed Department of Labor *Application for Permanent Employment Certification* form (ETA Form 9089). The application must be filed with an ETA application processing center. Incomplete applications will be denied. Applications filed and certified electronically must, upon receipt of the labor certification, be signed immediately by the employer in order to be valid. Applications submitted by mail must contain the original signature of the employer, alien, attorney, and/or agent when they are received by the application processing center. DHS will not process petitions unless they are supported by an original certified ETA Form 9089 that has been signed by the employer, alien, attorney and/or agent.

(2) The Department of Labor may issue or require the use of certain identifying information, including user identifiers, passwords, or personal identification numbers (PINS). The purpose of these personal identifiers is to allow the Department of Labor to associate a given electronic submission with a single, specific individual. Personal identifiers can not be issued to a company or business. Rather, a personal identifier can only be issued to specific individual. Any personal identifiers must be used solely by the individual to whom they are assigned and can not be used or transferred to any other individual. An individual assigned a personal identifier must take all reasonable steps to ensure that his or her personal identifier can not be compromised. If an individual assigned a personal identifier suspects, or becomes aware, that his or her personal identifier has been compromised or is being used by someone else, then the individual must notify the Department of Labor immediately of the incident and cease the electronic transmission of any further submissions under that personal identifier until such time as a
